<https://www.linkedin.com/in/chrissimmons999>

Chris is a Senior Consultant in our Product, Project and Technology team, who are dedicated helping clients to successfully execute their digital projects.

He is a highly experienced programme manager, having spent over twenty years project managing delivery programmes and projects for companies as diverse as the BBC, Vodafone and the Financial Services Compensation Scheme.

As an acknowledged expert at implementing and running PMO and resource management functions, Chris always ensures best-practice project methodologies and processes; to improve and transform existing approaches or developing bespoke digital solutions for clients. Providing standardised reporting and governance as well as guaranteeing clients that optimum benefit and impact is gained from the resources invested.

Chris is accomplished in:

- Full life-cycle project and programme management
- Provides business and organisational change management
- Extensive PMO and resource management experience
- Expertise in project portfolio management

Key achievements include:

- *Successfully delivering digital products including CRM, SAP, COTS, and bespoke digital solutions for FSCS, KPMG, Girobank, Ark Life and BBC*
- *Resource managing world-wide operation of over 600 project resources for Crown Agents; producing then sustaining savings of over £1.5M per year*
- *Implementing core business solutions including call-centre, work-force management, ordering and invoicing functionality for Autobarr, AG Barr &, Corgi*
- *Delivering PMO and Resource Management functions to five major companies*

Chris Simmons is part of a multi-disciplinary team of strategy, execution and growth experts.
