<https://www.linkedin.com/in/danlawrencefri/>

Dan Lawrence is a versatile and results-driven Programme Director specialising in InfoSec and Cyber Security. He brings 15+ years' broad experience across B2B, B2C, banking, financial services, technology, consulting and corporate sectors, helping organisations such as WorldPay, IBSA, Credit Suisse and BAA Heathrow.

Dan has an extremely collaborative approach to transformational leadership. His breadth and depth of experience in stakeholder management enable him to navigate complex matrix organisations to engage and influence key stakeholders from C-level/board down, rapidly delivering 'fit for purpose' systems and technology-enabled business change.

Focused and strategic, Dan's extensive experience means he understands complex IT solutions and can quickly translate business requirements into tangible, realistic programme deliverables. Whether you are looking to design and execute effective project delivery strategies, develop a vision or project roadmap – Dan can help, even in the most challenging environments, to achieve stellar results.

Dan has proven expertise in:

- Driving change management.
- Delivering business transformation
- Service transition
- Project strategies
- Payment platform delivery
- Infrastructure build & cloud IT technology
- Agile working & benefits realisation
- Security standards(NIST/ ISO270001/CE+/Check)
- Identity and Access Management
- Asset Inventory and CMDB
- LegalTech
- Oracle Middleware
- Cryptographic technology
- DevOps

Key Achievements include:

- *Led the infrastructure design, test and build of WorldPay's payment platform (recently sold for \$38b).*
- *Delivered the world's most translated website, available in 914 languages.*
- *Co-led replacement of the entire IT at Heathrow, Gatwick, Stansted, and Southampton airports.*
- *Responsible for obtaining Cyber Essentials Plus accreditation for KPMG for the first time in 2019. Currently leading KPMG's Security Transformation Programme.*

Dan builds upon his extensive experience to understand complex IT solutions enabling him to deliver in challenging environments. He is able to engage & influence key stakeholders with his self-sufficient pragmatic approach, would welcome the opportunity to work with Dan again.
