Daniel is a senior consultant in our Project and Programme team, who brings extensive commercial experience in the end-to-end management of complex technology-oriented projects to his clients.

He can project manage the resolution of severe technical challenges drawing on experience from a digital career spanning technical consultancy, delivery team management, and IT transformation programmes.

Highly motivated with a passion for delivering excellence, Daniel uses a creative and innovative approach to IT transformation that drives significant improvements in the quality of project governance, requirements specification and management of risk as well as having a laser-focus on outcomes and resource management.

A PRINCE2 Practitioner, Daniel's experience spans multiple sectors including financial services, retail, hospitality, legal, and technology.

Daniel has proven expertise in:

- Programme and project planning and delivery
- PRINCE2 methodologies
- Technology transformation of infrastructure, networks and information services
- Cloud service migration and implementation, support services, and mixed platform systems
- Third-party supplier selection, negotiation and management

Key achievements include:

- *Delivering multiple combined data centre and head office IT service migrations between European sites for Fifth Step and their global insurance industry client.*
- *Leading the delivery of a portfolio of projects in a programme of Infrastructure improvements/upgrades/technology refresh for Weathersbys Ltd.*
- *Successfully delivered multiple IT services to a banking business transformation programme, liaising closely with the technology service partner, for Weatherbys Bank.*
- *Managed multiple projects delivering new infrastructure and IT services, including Office365, for Primark retail.*

"Daniel's methodical approach and flexible attitude to problem solving were an invaluable asset in establishing a detailed infrastructure programme of work. His strong work ethic, commitment and reliability are a credit to him."

Martin Simpson, Head of Business Transformation at Weatherbys Ltd
