Tim is a Senior Consultant, within our Technology and Security team, enabling businesses to effectively execute their digital strategy and achieve their business performance objectives.

He is a highly accomplished and innovative technologist who brings over 30 years' experience of leading successful technology teams and development programmes.

Tim has helped SME's, start-up's and scale-up's through to blue-chip organisations, with diverse sector experience that includes mobile, fintech, telecoms, lawful intercept and location-based technology.

As a skilled digital transformation specialist Tim has proven ability to:

- Hire, develop and lead engineering teams to deliver
- Manage a wide range of suppliers, consultants and advisors in an integrated way
- Quickly show the benefits of a new technology & ROI
- Apply new technologies to solve complex business problems
- Reduce cost, eliminate friction and open new markets.
- Introduce new ways of working, raise team energy levels and re-ignite enthusiasm

Tim specialises in:

- Service design and business analysis
- Software methods – AGILE and SDLC
- Bids and proposals, RFP and RFI
- Integration of 3rd party systems
- Planning, organising, simplifying and leading people
- Service and system operations
- C, Python, JIRA, Confluence.

Key achievements include:

- Led the development at three fintech start-ups. Launched crypto-currency products from scratch within 6 months.
- Led the end-to-end knowledge transfer for a Lawful Intercept system provider from Europe into Asia.
- Delivered management and communications training and hired 100+ technical specialists.
- Led the start-up development of the network infrastructure for the Silicon Valley based NextNav Metropolitan Beacon System.
- Led spectrum acquisition, technology strategy, network planning, vendor management, implementation and operations for a 4G start-up.
- Took responsibility for annual budgets of over USD100million.
- Represented the UK at International Standards bodies.

Tim Clark is part of a multi-disciplinary team of strategy, execution and growth experts.
